ANM (Annual National Meeting) July 19-22 2018

This was an amazing experience that included workshops, candidate meet and greets, and press conferences.

UAPB (Utahns against Police Brutality) was invited to speak. They are sponsoring a ballot initiative to form an independent review board which would take complaints from citizens and try to form better policies. Idea was borrowed from Chicago but is being adapted to Salt Lake City. Invited us to a press conference on July 11, 2018. UAPB also asked for an endorsement from GPUP. They have been endorsed after a vote. We had consensus. There will be many volunteer opportunities available with UAPB. Contact Adam Guymon for more information.

UAPB will be sending online documents to GPUP, they plan to start petitioning soon.
