

GPUT Coordinating Committee Meeting
May 25, 2019 2:00pm-3:30pm online

- Welcome, Dee Taylor, Interim Co-Chair, and Brendan Phillips National Delegate.
- We are considering moving our June and July meeting dates to June 29th and July 13th. Discussion is up in the CC Facebook and Band group pages.
- We discussed doing meet and greets each month at a library or community center. Each meet and greet would be centered around a local issue and would last approximately an hour to an hour and a half. There would also be presentations. We need to show that we are ahead of the other parties on issues. This will help build membership. We will advertise online, email blasts, flyers and hopefully KRCL, and possibly by press releases.
- Will GPUT donate \$135.00 to our national delegate to attend the annual national meeting? Discussion opens in CC FB group until June 1, 2019, and then a vote will be opened.
- Delegate report: Prop 955. Proposal to set qualifications for who qualifies to be a presidential candidate.
